Saint Discovery

FOR TEACHERS & CATECHISTS

Sponsor conversation guide

A conversation about a saint · 15–20 minutes

Bring a parish-approved biography. Either person may pass on a question or keep a reflection private. Follow your parish or diocese's guidance about Confirmation names.

1. Read together (3–4 minutes). Choose a short passage. What happened, and what question does it raise?

2. Notice a choice (4–5 minutes). What did the saint do? What virtue does that choice suggest? What source supports the event?

3. Connect to today (4–5 minutes). How could someone practice that virtue in a different situation? Each person may suggest an example.

4. Plan a small step (3–4 minutes). Choose one achievable action for the week. When might you try it? You may keep this answer private.

5. Close (1–2 minutes). Name a question to bring to a catechist, or share a brief prayer in your own words. Follow up next week if you wish.
